## Who can make the booking?

Anyone who is 18 or older can book the exam via an ABRSM account registered in their name. This could be a teacher, member of staff from a school or other organisation, a parent or the candidate if they are aged 18 or over. We refer to the person who books the exam as the exam 'applicant'.

You may find the following information useful when completing candidate details:

<p><b>ABRSM Contact ID</b> - the first time an exam is booked for a candidate, they will not have a Contact ID. We will provide this once an exam has been booked for them and it will then appear on all communications about their exams. The Contact ID should be entered every time an exam is booked for the candidate and if the candidate registers for an account.</p>
--

<p><b>National ID (China, Hong Kong, Macao, Singapore, Malaysia and Taiwan only)</b> - you will need to enter a candidate's National ID every time you book. After their first exam booking, entering the National ID will automatically complete the other details.</p>
--

<p><b>Date of birth</b> - this is compulsory as we need this information to identify candidates in our system and link up their records.</p>
--

**Email address for the candidate (parent/carer)** – this is compulsory and must be the address for the candidate, their parent/carer or the responsible adult. We use the email address to send exam details and invite candidates to create an ABRSM account. The link to take the exam is only available through the candidates ABRSM account.

**Presented by** – this will show the applicant name by default, but you can change it to any name that you want to have on the certificate as 'presenting' the candidate for their exam. This might be a school, music centre or a particular teacher. You can enter different 'presented by' names for different candidates.

**Sensitive data consent** – if you have requested access arrangements or reasonable adjustments for a candidate, please read the information provided and tick the box.

**National centre number (UK only)** – add this if candidates are taught at a school or college or if you teach them on behalf of a school or college. We can then confidentially pass on exam information to the government for inclusion in performance tables.

- Add any other candidate details in the same way.
- Select the translation required if appropriate.
- Once you've completed and checked your candidate details, tick the box at the bottom of the page to show that you've read and agree to our [Exam Regulations](#).
- Click 'Submit and pay' to complete your booking.

#### 6. Postal address and booking summary
